

Commentator vs. Commentator

You've just been hired to host an HIV/AIDS gala to raise money for AIDS research. Bring forth a nasty chant that will have the crowd sponsoring! Dress to impress!

Get your house to debut a campaign targeting issues LGBTQ+ youth of color are faced with. Most creative campaign wins. Please be sure your campaign is obvious and real. Examples of issues to tackle: homelessness, HIV prevention, substance use, sexual assault, intimate partner violence, etc.

Kiki Klothng (Foot. Eye. Bag.)

The Kiki Coalition has used different messaging, on different platforms, to educate LGBTQ+ youth of color and give them the tools they need to fight against AIDS. Tonight, in honor of the youth we've lost in this fight and the Survivors and Warriors, come dressed in **ALL RED** foot, eye and bag.

Realness

Sunday church has traditionally closed the doors for many that identify as LGBTQ+. There has been a tradition around the praises and not many open doors for LGBTQ+ identified folks. Tonight, we want to praise and show that we can blend too.

Male Figures: Priest vs Pastor

Female Figures: Church Lady vs. Nun

Whichever you pick is up to you but you will battle against those who are dressed like you.

Legendary Performance (you don't have to be a legend to perform)

You were likely a virgin performer at one point and have witnessed the evolution of the AIDS epidemic. In all white, representing your virginity to your first performance once upon a time, show us you still got it.

Twisters: In a red hat

Female Figure: In a red skirt/pant

BQVF: In a red boot

Hand Performance

It's a nasty battle. Bring it in an OVAH OVAH glove and a secret prop but, wait... there's a catch. You gotta be there to find out!

Runway

Your look doesn't exactly have to be from the movie but it should be obvious. We want to see creativity but most importantly, STRUT!

Bag. Belt. Boot.

It's winter time and it's cold but it doesn't mean that we can't be done. In a nasty bag, belt and boot, bring it with your best red accessory. Only one accessory can be red so either your bag, belt or boot. Don't forget your fur!

Open To All Performers

The AIDS epidemic is still here but we must continue to fight against it. Tonight, bring it **ALL IN RED** (shoes don't count), dance for your life and show us that we can beat AIDS.

Face

Angels and Demons are always amongst us but what happens when they switch worlds?

Masculine figures: You are a demon turned angel. Bring it like a demonic angel.

Feminine figures: You are an angel turned demon. Bring it like an angelic demon.
